**Are you currently having any other *specific* problems at work, school, home? Please describe:**

**Chemical Health History** (Alcohol, Illegal Substances, Non-Prescribed Substances, Tobacco, other)

Substance	Age When 1 <sup>st</sup> Tried	Date of most recent Use	Frequency of Use in Last Six Months (how often)	Amount Used Typically

Have there been any negative consequences as a result of your chemical use? i.e., DUI's, arrests, charges, relationship difficulties, etc. If yes, please describe.

Previous chemical abuse treatments? Describe (where, when, comments):

**OVER →**

My personal strengths:

My personal challenges/weaknesses:

Losses I have experienced (Who/What?... ..When?..... How/Why?.)

Something that I would change about my family:

What do you want to get out of therapy?

Would doing family therapy be helpful in addition to your individual therapy? How? What issues would YOU address in family therapy?

Is there anything else you want to share?:

**THANK YOU!!**
